Summary of the Legislation:

This proposed Council Bill accepts twenty limited purpose easements for public sidewalk or

street and alley turn-around purposes, and places them under the jurisdiction of the Seattle Department of Transportation. The easements transfer property rights to the City as a result of conditions imposed on private development projects.

Background:

Article IV, Section 14, of the Seattle City Charter requires that the City Council accept all easements conveying property rights to the City of Seattle by ordinance. The Seattle Department of Transportation processes easements acquired from developers for right-of-way purposes.

City of Seattle
Edward B. Murray
Mayor

January 13, 2015

Honorable Tim Burgess
President
Seattle City Council
City Hall, 2nd Floor

Dear Council President Burgess:

I am pleased to transmit the attached proposed Council Bill that twenty limited purpose easements, and places them under the jurisdiction of the Seattle Department of Transportation. The easements are for properties transferred to the City for sidewalk or street and alley turn-around purposes as a result of conditions imposed on private development projects. The Council Bill also ratifies and confirms any actions taken by the City prior to the effective date of this legislation that are consistent with accepting the easements.

Article IV, Section 14, of the Seattle City Charter requires that the City Council accept by ordinance all easements conveying property rights to the City of Seattle. The Seattle Department of Transportation processes easements acquired from developers for right-of-way purposes, and submits them for the City Council to accept by ordinance in batches of approximately twenty per ordinance.

Thank you for your consideration of this legislation. Should you have questions, please contact Larry Huggins at 684-5001.

Sincerely,

A handwritten signature in dark ink, appearing to read "Edward B. Murray", with a long, sweeping underline.

Edward B. Murray
Mayor of Seattle
